Pompomania: How To Make Over 20 Cute And Characterful Pompoms

Synopsis

Pompoms are currently on trend, whether they're adorning a headdress, swinging from a bag, or dangling from a keyring. But why have a plain pompom when you can have a tiny pompomeranian dog, a cheeky monkey pompom, or a smiley face emoji-pom? With clear step-by-step photographs to accompany all the instructionsâ" and with each pompom taking no more than an hour to makeâ" Pompomania will show you how to give your pompoms personality. With no fancy equipment neededâ" you can make do with rings cut from cardboard and a pair of scissorsâ" these pompoms are inexpensive and great to make to keep or to give. Pompomania will add a little pomzazz to your world.
