Just Bob [Assassins Inc. 1] (Siren Publishing The Stormy Glenn ManLove Collection)

Synopsis

[Siren Publishing: The Stormy Glenn ManLove Collection: Erotic Alternative Paranormal Romance, shape-shifter, M/M, HEA] My name is Bob. It's just Bob. Not even Robert or Roberto or anything as exciting as that. It's just Bob. Bob Mills. It's not a fancy name or a name that inspires great romantic tales. No one writes odes to Bob. No one screams Bob during great heights of passion. There are no great masterpieces with Bob as the main character. I can't even think of any fictional characters named Bob. To make matters worse, I'm an accountant and I wear glasses. I own a cat. I have a library card, and I actually use it. If the karmic universe could have crapped on someone, I was it. Exciting, right? Yeah, no. There is nothing exciting in my life. Ever. That all changed when someone put a contract out on my life. Note: This book is written in the first-person point of view of both main characters. ** A Siren Erotic Romance

Customer Reviews

This is a cute, short, shifter tale with a snarky vibe ! The story of Bob. Ordinary accountant, Bob. He's fired and then finds out he's on a hit list. He's too plain for anything this exciting to happen. The

stranger he saw at the coffee shop, shows up at his house, and Bob thinks he dreamt about the super sexy sizzle. Nope. Mr. Sexy is real, Shade is a Panther shifter and something more. Hit men start showing up to kill him, but when he's scented, they protect him instead. There is a bad guy, a kidnapping, some violence, a rescue and a twist, plus more sassiness. This is a fun novella with everything we like. It's book one of Assassins, Inc., Stormy Glenn's new series, and I like all of these interesting characters. I will be waiting for more. ENJOY !=====

This was such a good story by Stormy Glenn. I was hooked from beginning to end I loved this story. Bob was so sweet, funny and very likeable which can be sometimes hard to find in a main character and when him and Shade got together the chemistry and heat was smoking! A very good read it was a short read but a good one with just the right amount of drama to keep you entertained. And I really enjoyed the secondary characters as well I can't wait to read the next installment of this series.

This was a very sweet novella with likeable main characters and nice introduction to the other assassins. There were some moments that were not so smart. *Spoilers ahead* First one was when Bob seemingly forgot their first time together. Not just a little disorientation when waking up but actually forgot. Like, what? Next is their decision to linger in Bob's apartment knowing that swarms of assassins are gunning for Bob. I guess it was a way for the author to introduce the side characters but... That was a dumb move for supposedly expert assassins. So, of course Bob gets kidnapped. And so on and so forth, then happily ever after. Nevertheless, I still enjoyed it. I wish there was more Mustachio moments though. I love that kitty.

Hehe. Bob is great. His cat Mustachio is adorable. Shade is sexy as sin. I'm so in love with this story. Fated mates, shifter assassins, and love that knows no equal - what can be better?

Shade was hired to kill Bob only to find that he has been blessed with a mate . Bob thinks he is an ordinary person but in reality he's a great accountant who finds love with a shifter .

The story felt too rushed after the first chapter. I liked how Bob talked about his life as a average guy that felt like an underdog it was very believable and I look forward to cheering for him. But after that first chapter the story felt rushed and somewhat incomplete.

I love reading books, but I hate writing reviews. That being said, I rate this book: Story: 4/5 stars.
Heat level: 4/5 stars. The story ended too quickly.

This was great really really great I. Loved it Wtg Stormy Glenn outstanding can't wait to read the next one in this series.....
