Kids Skiing Journal

Synopsis

Keeping a ski diary is a great way to help you remember your ski days. By journaling your days on the slope, you can re-live that epic slope or ski run next month or ten years down the road. A skiing journal serves as a permanent record of your progress. This journal will help you recall the details of your snowy adventures whether you are an avid downhill, snowboarder, or cross country skier. You can look back over your journal to see how much you have progressed and start setting goals for that next black diamond slope!
