Torah Studies: A Parsha Anthology

Synopsis

In a paradigm of true leadership, the Lubavitcher Rebbe, Rabbi Menachem M. Schneerson, of sainted memory, embraced all issues of import to Jews, Jewish life, and beyond, spurring a Jewish revival that continues to gain momentum even after his passing. Through his incisive and illuminating Torah expositions, the Rebbe inspired an awareness of an attainable higher reality and sparked an enthusiasm for Torah study among scholars and layman alike. The essays collected here are selected from the Rebbe's investigations of the weekly Torah portion. In these studies of our most sacred text, the Rebbe weaves together many centuries of traditional Jewish scholarship, focusing them through the prism of his intense Chassidic spirituality. Time and again the result is a fresh insight into the great themes of Jewish life, themes no less relevant today than in our long and distinguished past. Torah Studies represents only a fragment of the vast body of the Rebbe's teaching. His collected writings and discourses are gathered in more than 200 volumes and constitute an immense legacy to future generations. They include Torah exposition, analysis of Jewish law, Talmudic discourses, explorations of Jewish mysticism and letters of guidance to Jews throughout the world. Rabbi Jonathan Sacks, adapter of this work, is Chief Rabbi of Great Britain.

ASIN: B00K1N8JLI

Best Sellers Rank: #6 in Books > Religion & Spirituality > Judaism > Sermons #331 in Books > Religion & Spirituality > Worship & Devotion > Sermons #1348 in Books > Christian Books & Bibles > Bible Study & Reference > Bible Study > Old Testament

Customer Reviews

The day I got this book, I opened it up to a random page and the first sentence that my eyes focused on was "The Messiah = Moses + 1". I was absolutely stunned. Now that I've started reading the book from the beginning, I can't wait to get back to that page again. As other reviewers have alluded to, the book doesn't explain everything comprehensively beyond any shadow of a doubt, but

it does give one a challenging insight into the rich world of Judaic exegesis. I found that if I persevered with the parts that I didn't immediately understand, I nevertheless eventually reached a piece of wisdom I could readily comprehend despite my beginner level of knowledge in matters of Jewish religion and its literature. I especially appreciated the breakdown on page 24 under the heading The Preservation Of Perfection. If you're reading this review, then this book is for you.

If you are interested in Torah and understanding more, this is a great resource to enrich your Torah studies. Everyone should read this!

Excellent...the explanation of the Rebbe with Jonathan Sacks. It cannot get better than this

Wonderful insights.

Excellent, Lord Jonathan Sacks has done it again.

Still reading

These are amazing insights from the Lubavitcher Rebbe. They take you deeper into the meaning of Torah. It is a companion for any Jewish home

Great out-of-print book. Not clear why it is out-of-print. Previously I would only hear these discourses in shirum for Rabbi's reading and translating the Yiddush. Its great to have the whole thing in English so I can review, study, and share the Rebbe's wisdom with others.
