## Customer Reviews

Text: English, German (translation) --This text refers to an out of print or unavailable edition of this title.

Very lovely photos, very informative text. A true classic, and I'm glad to have it. One of my treasures!

I paid over \$80 for a rather small, disappointing version of a guide book that I had purchased a few years earlier at the Cairo Museum. The add for the book was a bit deceiving, for it gave the impression that it would be a hardback book with much more depth and detail. I must say I was indeed shocked by what I recieved in the mail, and am currently reconsidering my future book purchases from this company.
