# Numenera Character Options 2

## Synopsis

Players love new options for their characters. This followup to the very popular Numenera Character Options contains over 50 new foci and descriptors, including location-based and racial descriptors. But players will be especially excited about two entire new types-the glint and the seeker. They're the first new types ever added to the game, making this a real must-have for players! 96 pages, Softcover, Full color
