Frommer's Dubai And Abu Dhabi Day By Day

Synopsis

Frommer's books aren't written by committee, or by travel writers who simply pop in briefly to a destination and then consider the job done. We employ the best experts to author our guides, like Gavin Thomas who has been reporting on Dubai since it was just a forest of construction cranes. He's the author of this innovative guide that combines maps, photos and detailed itineraries to help visitors plan their time in the most efficient way possible. The book covers the best of Dubai & Abu Dhabi in one, two, or three days, thematic tours for every interest, schedule, and taste (including Arabian heritage tours and day trips to Sharjah, Al Ain and Hatta), hundreds of evocative photos, bulleted maps that show you how to go from place to place, candid reviews of hotels, restaurants, shopping, and nightlife for all budgets, and a tear-resistant foldout map #151; enclosed in a handy plastic wallet you can also use for tickets and souvenirs.

Book Information

Customer Reviews

Gavin Thomas is a British travel journalist specializing in Arabia and Asia. Based just outside London, he has written or contributed to dozens of guidebooks for publishers including Frommer's, Rough Guides, Insight, Berlitz, Dorling Kingsley and Time Out. A regular visitor to Dubai and Abu Dhabi for more than a decade, he's watched both cities double in size, transforming from rising regional stars into global powerhouses, and remains fascinated by the unfolding story of these two constantly evolving destinations.

This book MADE my trip! I followed the daily plans and we had a blast. It needs: a closer map of the souk/Al Ras area. It needs to add a section on the Global Village, which everyone said was a highlight of the trip but wasn't in the book. It could use more information on the daily tours available and the reputable companies. Because there is repetition, there's plenty of space to add those.

Excellent book! Very informative. Book was as described. Would use again.

Note the front cover maps and the foldout map in the physical book are Not included in the digital. Otherwise it's a nice book.

This travel guide is detailed and comprehensive. It will be very helpful during my stay in Dubai.

Great book

I research intensely online but I love the day by day books to give me a sense of order and a map!
