IronFit's Marathons After 40: Smarter Training For The Ageless Athlete

Synopsis

The only marathon training guide athletes forty and older will ever need Updated with full-color exercise photography; cutting-edge training, strength, core, and flexibility programs; and specific instruction for the most popular version of the marathon, the Half-Marathon, this book starts with a simple premise: training methods for younger athletes no longer work for athletes over forty. Melanie and Don Fink present step-by-step action plans for faster times, fewer injuries, and more enjoyment for the Master[™]'s marathoner. Including profiles of successful older athletes, this book also provides ways to avoid common training and racing mistakes, recovery methods unique to forty-plus athletes, secrets to staying injury-free, and much more.
