## Customer Reviews

Lesbian stories written by men are usually over the top. Lesbians sound like guys. The sex is very explicit but so strong you wonder if these people are human beings. Female writers use more humor, whereas men get to the nitty gritty.

Definitely written by a man. If you're a man looking for vicarious thrills you may enjoy this - if you're a lesbian forget it

Enjoyable and awesome.

The fact that the book starts with a straight man perspective story is really all you need to know

Kept me intrigued and wanting more except for the story with the gang . Didn't enjoy that story.

YUCK

I love all the stories..i kept coming on every story i read...well written!!! Keep on writing..and I'll keep on buying..then ill keep on cumming!!

This book was okay, but was looking for more in the seduction/manipulative scenes with some bondage rough sensual stories.
