ISBN-13: 978-0133616941

Product Dimensions: 8.2 x 0.4 x 10.8 inches

Shipping Weight: 5.6 ounces (View shipping rates and policies)

Average Customer Review: 4.3 out of 5 stars 8 customer reviews

Best Sellers Rank: #220,228 in Books (See Top 100 in Books) #61 in Books > Teens > Education & Reference > Language Arts > Grammar #566 in Books > Textbooks > Education > Secondary Education #870 in Books > Education & Teaching > Studying & Workbooks > Workbooks

## **Customer Reviews**

I bought this book along with the Grade 8. Although the common core standards are in full effect, if you really read the standards, some of the same concepts (or all depending on the grade) are required to be taught (just with different outcomes). I love to teach grammar within a specific context, such as a writing project, but to often students do not make connections until the topic is directly taught. This is a great resource to have. Each exercise has a short description of the function of each part of speech, phrase, or clause.

While it is my fault for not doing better research, I wish there had been some neon directions letting me know there are 3 workbooks that go with this textbook. I only got one of three. That's my only complaint, and like I said, that's my fault. The lessons so far they like ( even though we started the middle, not beginning).

Just in a perfect condition

good product fast service

Book has a lot of work pages. It sure does keep him busy for the summer, I hope he is ready for 10th grade.

This book was a lot cheaper here than it was on other book sites. Was very happy with the outcome.

## NO ANSWER KEY

I enjoy how easy to navigate, easy to use, and easy to reference this workbook is. I hope to get copies for all my students in the next school year, but it's great for reproducing as well.
