Â Cute story but I'm not sure if I got a misprint. In the middle of the book are pages about "Amazing facts about Ecuador". I can't just take those pages out without ruining the book, but skipping them every time I read the story is also pretty annoying. This must be a misprint, right? I won't know because I'm out of the return window and it was gifted to us. :(

Great book, my daughter loves it. I have to read it to her twice, once in German and once in English. The first day we got it, it was read to her no less than 4 times.

Only 11 pages on Kindle version. Story - meh!
