Frommer's Montreal And Quebec City 2011 (Frommer's Complete Guides)

Synopsis

Completely updated every year, Frommer's Montréal & Québec City features gorgeous color photos of the sights and experiences that await you. Our author hits all the highlights, from Vieux-Montréal to Québec's fascinating Musée de la Civilisation. She's checked out all the best hotels and restaurants in person, and offers authoritative, candid reviews that will help you find the choices that suit your tastes and budget. You'll also get up-to-the-minute coverage of shopping and nightlife; detailed walking tours; accurate neighborhood maps; advice on planning a successful family vacation; and side trips to the Laurentians, Cantons-de-l'Est, Ile d'Orléans, Montmorency Falls, Ste-Anne-de-Beaupré, Parc Mont Ste-Anne, and Central & Upper Charlevoix. Frommer's Montréal & Québec City also includes a color fold-out map.

Free pocket map inside, plus easy-to-read maps throughout Exact prices, directions, opening hours, and other practical information Candid reviews of hotels and restaurants, plus sights, shopping, and nightlife Itineraries, walking tours, and trip-planning ideas Insider tips from local expert authors

Leslie Brokaw has been writing for Frommer's since 2006, authoring or contributing to recent editions of Frommer's Montréal Day by Day, Frommer's Canada, and Frommer's New England, as

well as Frommer's Montréal & Québec City. She is based in Boston and teaches at Emerson College. Erin Trahan is a Boston-based writer and editor. In addition to authoring recent editions of Frommer's Montréal & Québec City and Frommer's Montréal Day by Day, she edits and publishes The Independent, a magazine about independent film, online at www.independent-magazine.org.

I ordered Frommer's Montreal and Quebec City 2011 guide prior to going to Montreal for a 2 week vacation. I read some of the entries, I did not read the complete book. The information I found useful was how to get to the city from the airport by public transportation. Otherwise we have not gotten much use out of the guide. Our medium size hotel Le Nouvel is very nice, but it is not listed, so we had to ask for help in finding it. We ate once at one of the recommended restaurants: Eggspectations, and although it was good, it was not in any way special. I was very disappointed with the pull out laminated map. It is small and very general. We replaced it quickly with the free official tourist Map of Montreal which is much more detailed. I wish I could find a better transportation map, the one that has metro and buses. Public transportation in Montreal is very good and with a 7 day Opus pass amazingly affordable. (\$22/7 day unlimited rides on Metro and buses, there is a one time \$6 charge for the Opus card) The free official guide to Montreal is a much more helpful publication. There is a major music festival going on right now "Francofolies" it goes on for 10 days with numerous daily free performances on more than 4 stages, it was not listed in the guide. Overall, we are having a great time in Montreal, it is a beautiful city and very tourist friendly. And I see now that I did not need the expensive guide at all.

Been in Montreal and Quebec last October and used this guide. Very good organization of topics and a very good amount of useful general information for tourists. All restaurants suggested by the guide we tried were good. We found some others very good too but not mentioned. So, if it is not on the guide, don't be afraid to try. The maps should have the street names in more places, not just on the main ones. Be warned that many hotels and stays don't have elevator, specially in Quebec, the guide could mention which ones do and don't have it.

Loved it! Although 4 years old it was well organized, still had useful information even on restaurants. The maps were great and held my abuse very well. I will be buying a Frommer's for my next trip!

We bought this for our vacation to Quebec City. It had good information about many of the basic sights, but we found that when we wanted to do anything beyond the most typical stuff the guide ceased to be helpful. This is a good basic guide but doesn't lead you to any of the great but lesser known or harder to find places that makes some guidebooks so great.

This book was a great help to us during our week long trip to Montreal. The restaurants recommended by the book were delicious--and the book was right about what places would be crowded at certain times. The family sightseeing reviews were accurate as well. The many maps in the book were also extremely helpful. This book really helped us plan and enjoy our trip!

No tables of contents for kindle! Some thought about the platform in hotlinks to network resources, but the maps are poorly adapted to screens -and you have to leave the book to get decent but poorly named PDF. Unimpressive presentation.

Very Good. All one needs to plan a one-week vacation to Montreal. Strolls appear especially well thought out. Restaurants? Suggest supplementing this Book with on-line reference to Trip Advisor which is more comprehensive.

Frommer's Montreal was informative. The major museums, sights, and basic information were useful and correct. The ratings and lists of restaurants were useful but not complete which was fine.
