## **Customer Reviews**

Timothy J. Rupert Timothy J. Rupert is a Professor and the Golemme Administrative Chair at the Dâ™Amore-McKim School of Business at Northeastern University. He received his B.S. in Accounting and his Master of Taxation from the University of Akron. He also earned his Ph.D. from

Penn State University. Professor Rupertâ™s research has been published in such journals as The Accounting Review, The Journal of the American Taxation Association, Behavioral Research in Accounting, Advances in Taxation, Applied Cognitive Psychology, Advances in Accounting Education, and Journal of Accounting Education. Â He currently is the co-editor of Advances in Accounting Education. In 2010, he received the Outstanding Educator Award from the Massachusetts Society of CPAs. He also has received the Universityâ™s Excellence in Teaching Award and the Dâ™Amore-McKim Schoolâ™s Best Teacher of the Year award multiple times. He is active in the American Accounting Association and the American Taxation Association (ATA) and has served as president, vice president, and secretary of the ATA. Â Thomas R. Pope Thomas R. Pope is the Ernst & Young Professor of Accounting at the University of Kentucky. He received a B.S. from the University of Louisville and an M.S. and D.B.A. in business administration from the University of Kentucky. He teaches international taxation, partnership and S corporation taxation, tax research and policy, and introductory taxation and has won outstanding teaching awards at the University, College, and School of Accountancy levels. He has published articles in The Accounting Review, the Tax Adviser, Taxes, Tax Notes, and a number of other journals. Professor Popeâ™s extensive professional experience includes eight years with Big Four accounting firms. Five of those years were with Ernst & Whinney (now part of Ernst & Young), including two years with their National Tax Department in Washington, D.C. He subsequently held the position of Senior Manager in charge of the Tax Department in Lexington, Kentucky. Professor Pope also has been a leader and speaker at professional tax conferences all over the United States and is active as a tax consultant. Â Kenneth E. Anderson Kenneth E. Anderson is the Pugh CPAs Professor of Accounting at the University of Tennessee. He earned a B.B.A. from the University of Wisconsinâ™Milwaukee and subsequently attained the level of tax manager with Arthur Young (now part of Ernst & Young). He then earned a Ph.D. from Indiana University. He teaches corporate taxation, partnership taxation, and tax strategy. Professor Anderson also is the Director of the Master of Accountancy Program. He has published articles in The Accounting Review, The Journal of the American Taxation Association, Advances in Taxation, the Journal of Accountancy, the Journal of Financial Service Professionals, and a number of other journals. Â

Pretty unhappy with the product. I bought it for \$280 for a NEW copy and it came without the attached code. The product was not listed as new without code it was just listed as new so it should have had the accompanied code that now has cost me \$80 for my it lab.

This was the correct boom and it was shipped fast Â· Â· Â·

This is a terrible text book. Our professor even complains about how bad the book is. However it's one of the few that can be purchased in Canada. Complicated items are not explained in a simple manner showing that the authors have a lack of understanding or lack of connection with users. It is boring, adds very little value, and riddled with errors. If your goal is to learn more about tax and you don't need this book for a class then it would be better just to go to the IRS website and read the tax code or use google searches rather than buy this book. This book appears to exist for the sole purpose of Pearson offering a US tax book and so that a university class technically has a text book associated with it.
