Zoologist Jim Kavanagh has made a career out of introducing novices to plants, animals, the sciences and world cultures. In addition to creating over 500 simplified nature guides, he has also authored guides to languages, cities and outdoor skills. An avid traveler and backpacker, Kavanagh's path has taken him around the world to many remote destinations including the upper , Africa, Australia, and the Arctic Circle (and this is just the As). He is also the author of a series of state-specific guides to common species and natural attractions and a children's book on evolution.

Nice reference guide. Bought it for a vacation trip to Tampa.

super giuide

Good guide.

A fine product that helps those new to Florida recognize the beautiful wildlife with which we are surrounded.

found the traveling birds and recommend it.

Not enough info and clarity for decent identification.
