Derek Prince (1915-2003) is the author of more than 50 books and 600 audio and 100 video teachings, many of which have been translated and published in more than 100 languages (www.derekprince.org). He founded Derek Prince Ministries International, and his daily radio broadcast, Derek Prince Legacy Radio, still reaches listeners around the world. His concise way of explaining the Bible has helped millions build a foundation of faith.

I'm familiar with Derek Prince's books. My first one was *Blessing or Curse: You Can Choose*, which I have had for many years. His writing is informative as it is insightful on the subject of unseen enemies. If you have come face to face with demonic controls like alcoholism or addictions/bondages of any kind and want to learn how to be free; if you have experienced demonic attacks and want to know how to prevent and overcome them, then you can begin with *They Shall Expel Demons: What You Need to Know about Demons--Your Invisible Enemies*. Review written by Dee, author of *Crushing Invisible Barriers* and *Moving With God's Presence*

Great book that gives some scriptural insight that I have not found elsewhere. I use it as a reference, as well.

This is a must read for every believer in the Gospel of Jesus, the Christ. It is an eye opener, and very informative. I am getting ready to read it through again, because it is a teaching you must keep at the forefront of your mind during this time and age. Knowledge is Power! And God has called us to not be ignorant of the devil's devices.

This is a superb book. We have read years ago and have always had an extra on hand to share with others. We have had to buy many more to share with others & keep trying to keep one on hand at all times. Derek Prince is (was) a very knowledgeable man on this subject and should be shared with other Christians as this is what 1/4 of Jesus' ministry was all about & He expects us to do the same today!! You will find the Scripture to back all of this up.

This is a manual that any man/woman of God should have in their arsenal for delivering those who are compromised by demons or Satan. The tools are here, let us use them to save our brothers and sisters.

I'm new to Derek Prince's books but I like him. I've read many books on our invisible enemies and

this is one of the better ones. Its informative insightful I'm learning new stuff. I do question some of the demons he mentions because they are more like the works of the flesh. The bible doesn't mention demons of alcohol or drugs but there is a spirit of bondage. So that is one thing I will have to pray about. Its not a quick read for me although captivating and not easy to put down. I read a bit and chew on it. I'd defiantly recommend this book.

I wish every Christian will read this book to learn how to prevent, expel and maintain your freedom from demonic power. The reality that Christians can be oppressed and be under demonic attack and even control. The causes of such demonic attack over a person even a Christian person life. How to be set free in the name of Jesus and maintain our freedom as we totally surrender our lives to God through obedience we remain free!

Coming from a "traditional- baptist" upbringing deliverance was a good preaching regarding the accounts in the Bible. My COGIC friends new and talked about this. My first time seeing people being deliver left me a litte startled as I was then a part of a Holiness ministry. Now that I'm part of a Word ministry that operates in all the gifts of the spirit, I know view deliverance as a gift from God to set his people free. When it was announced in church a deliverance service would be taking place I immediately jumped into action to seek further understanding. I stumbled across this book and it was nothing but the providence of God. It was simple to read, understand and apply. My husband and I couldn't put the book down and walked ourselves through self deliverances as Holy Spirit brought things to our minds. So the Day of Deliverance with the church Family was awesome and was a true compliment to the teaching that took place by my Apostle. Do not be afraid in being set free but transform your mind concerning things Jesus deemed important like fasting, praying and deliverance. I was set free from a lot of things and now am very conscious of when that spirit tries to return. One was gluttony and caffeine!
