Haunted (Michael Bennett Novels)

Synopsis

Detective Michael Bennett faces a father's worst nightmare. After surviving a series of family crises--including seeing his son on the other side of the law--Detective Michael Bennett is ready for a vacation. He settles on a small, idyllic town in the beautiful Maine woods, a recommendation from one of his close cop friends--and also a former flame. But just when he thinks that it might be a perfect place to raise a family, he gets pulled into a case that has shocked the small, tight-knit, perfect community. Kids are disappearing left and right with no explanation--until a collection of bodies turns up in the woods. As Bennett investigates the horrific crimes, he soon discovers that the town he thought was perfect is reeling from a deadly drug epidemic, and the violence is about to reach a fever pitch. Far from the New York City streets he knows so well, Bennett faces off against an evil next door that threatens a town, the law, and the family that Bennett loves above all else.

Customer Reviews

"Behind all the noise and the numbers, we shouldn't forget that no one gets this big without amazing natural storytelling talent--which is what James Patterson has, in spades."â •Lee Child"It's no mystery why James Patterson is the world's most popular thriller writer: his uncanny skill in creating living, breathing characters we truly feel for and seamless, lightning-fast plots. I do this for a living, and he still manages to keep me guessing from the first to last page. Simply put: Nobody does it better."--â •Jeffery Deaver

James Patterson is one of the most popular writers of all time, with more than three hundred million

copies of his books sold worldwide. He holds the record for most New York Times bestsellers and is the author of the two most popular detective series of the past decade, the Alex Cross novels and the Women's Murder Club. Patterson has won an Edgar Award, the mystery world's highest honor, and his novels Kiss the Girls and Along Came a Spider were made into feature films. His lifelong work to promote books and reading is reflected in his website ReadKiddoRead.com, which helps parents, grandparents, teachers, and librarians find the very best children's books for their kids. Patterson is a recipient of the Los Angeles Times' 2015 Innovator's Award.

Very pleased. Thank you.
