If you have these books, you know what they are.

For my daughter. She's perusing musical theater. Exactly what was described, delivered promptly and was brand new!

These book contains a wonderful variety of broadway pieces. The arrangements are fun and beautiful and much more appropriate for younger voices. The keys are much more suitable for developing voices!

Great bunch of songs! Book was a little beat up (cover) but all the music was in great shape so didn't matter too much.

This has a lot of popular and fun-to-learn songs. The variety is great. I don't know if they are too overly-done for auditions, though. But it's a great selection nonetheless. Best one I've found.

My niece requested this anthology specifically as a gift. She was thrilled to receive it.

Love this book! So many great songs!
