Chilling Adventures Of Sabrina #3

Synopsis

It's the night before Halloween, the night before SABRINA's sixteenth birthday, the night of the blood-moon and the lunar eclipse, and SABRINA has made her decision: She will go into the woods of Greendale as a half-witch and emerge... on the other side of a frightful ritual... as a fully baptized member of the Church of Night. But there will be a cost, and his name is HARVEY. And unbeknownst to SABRINA and her aunts, there is a serpent in the garden, their great enemy MADAM SATAN, conspiring against them...

Customer Reviews

Uh....?! Kinda slow this one...but also slightly rushed? I'm not sure what I make of this issue. It's not bad, It's just not what I was expecting I guess.

A cliffhanger! What will Harvey do? There's a slight amount of predictability to the story so far, but I'm still digging it.

It was interesting but not enough to keep me involved. I normally enjoy this type of book, but I felt

this was immature!

good story and artwork good

Yet another amazing installation of Sabrina. I'm quickly becoming addicted to this series. Can't wait for more of this dark story.

Didn't see them coming. I totally recommend this one, especially if you enjoyed the Riverdale TV series like me. :)
