Customer Reviews

I found more uses for these little journals than I previously thought possible.

Very beautiful little journal. It is TINY and very small. I am not sure how durable it is since I gave it as a gift. The papers feel good, it is blank and not lined.

There simply is no better writing journal to be found. Colors are appealing, sizes are practical, and paper options are impressive.

These notebooks are tiny, but that's what I wanted. They fit in a pocket (they'd even fit in a wallet) without being uncomfortable.
