The One Year Book Of Psalms: 365 Inspirational Readings From One Of The Best-Loved Books Of The Bible (Christian Perspective)

Synopsis

Take a few minutes each day to reflect on the Psalms.Â Here, in a convenient daily format, youâ™ll find the entire book of Psalms divided into 365 just-right readings. Each day youâ™ll enjoy a compelling devotional, complemented by an inspiring hymn stanza. Youâ™ll also love the added featuresâ ”Notable Quotables, Bible Networking and Fascinating Factsâ ”designed to stimulate your thinking and living. The Interludes sprinkled throughout the audio will open windows into topics like Hebrew poetic style, acrostic psalms and more. Youâ™ve always loved the beauty of the Psalms, now come to know them, and apply them as never before.

Customer Reviews

"In an audio that is as much a historical work as it is a pure Bible reading, a father-and-son team present all 150 Psalms and additional Bible passages in 365 segments--one for each day of the year. Aimee Lilly presents the biblical and historical context of each passage with clarity, warmth, and grace. The introductions contain contextual and interpretive information that flows well into the questions and inspirational advice the authors put together for each passage. The Psalms and passages are organized around themes that make the audio a flowing lesson, rather than a mere annotated list. Mike Kelloggâ™s reading is effective but will sound melodramatic to some listeners."Â T.W. Â© AudioFile Portland, Maine

William Petersen is a retired senior editor with Revell and the author of more than 20 books,

including *One Hundred Christian Books That Changed the Century* and *Red Letters: Fresh Reflections on the Words of Jesus*. He lives with his wife, Ardythe, in Chester Springs, Pennsylvania. Randy Petersen, a writer/teacher from New Jersey, has written fifty books and many Bible study lessons. He also serves as Adult Education Director at his United Methodist church.

I've made it through 3 months so far, and I'm very much liking this devotional. While I don't care for the version of the Bible used, that's a problem in the majority of Christian books these days, and one I easily solve simply by reading the text in my own Bible. I do enjoy the commentaries for each day's devotion; I find them thought provoking, bringing out parts of the Bible text that I hadn't really thought of and really getting me to think about what I'm reading. This approach to the Psalms opens them up to me on a level I hadn't really approached before, hitting home and becoming very personal. I especially like the cross-references they have after many lessons, asking questions and having the reader go to other texts to really bring out the topic they were teaching; this isn't an approach I've seen done too often in many modern devotionals. This one has some substance to it, and isn't just another "read part of a verse, then read a cute little story about being a better person" kind of devotional; I found the *One Year Psalms* to be a true devotional with a solid biblical foundation.

I have been reading this volume since the new year. I wanted to stop this morning and write a word for the day the author might do a revision. My reluctance in giving you a better rating is just in the translation you chose. Had you have chosen any of the formal equivalency translations it would have greatly enriched this volume. My trust in dynamic equivalency is weak at best. If ever you do a revision I would like to request the ESV or another in that line of translations. For those of us who believe strongly in the words as well as the thoughts that follow it would greatly enrich and enhance this volume. Thank you for what you have written. I choose to add to this at the June mark of my reading. The author has chosen an immoral actress as an illustration of excellence in her field. At this point I am dropping this book from my reading.

Have been reading this book on my Kindle almost daily for a few months now and enjoy the pace and insight of this reflection on the selected Psalms. After having read a number of different devotions to a few members of my Sunday School class and my Bible study, I have ordered two 'paper' copies to gift two particular friends and will likely order a few more copies. I also read Sara Young's "Jesus Calling" and Oswald Chamber's "My Utmost for His Highest" most mornings and

this Devotional fits in nicely before I begin my class preparation.

I love the Psalms. My favorite book of the Bible!

This book is extremely well written, with very fine notes, illustrations and links to secondary passages of Scripture. My wife and I use it daily. In addition, I ordered a second copy and gave it to our pastor. It contains excellent material for teaching or preaching. We find it a great way to start the day with spiritual inspiration. Rev. Ev Sahrbeck

I love this book!!! Not only do I get to read through the book of Psalms in comfortable doses, I get read devotionals that describe how the Psalm passages came alive in individuals' lives. It aspires me to do lovely things out of my love and devotion to my God and Father.

Has been the "family" devotional twice. We are apart in miles, but share the same devotional. VERY special to us and meaningful. Good insights, hymn 'connections', thoughts of great Christians, cross references to other Scriptures - this book is well worth the money. I've even used it as a "reference" book for illustrations and comments on different portions of the book of Psalms. Well done devotional on many levels.

Wonderful devotional! Informative as well as uplifting!
